

2nd Global Congress & Expo on
ADVANCEMENTS OF
LASER, OPTICS &
PHOTONICS 2020

JULY 27-29, 2020
PARIS, FRANCE

Invitation

Linkin Science welcomes you all to the the 2nd Global Congress & Expo on Advancements of Laser, Optics & Photonics to be held during July 27-29, 2020 at Paris, France. We anticipate, your participation at Laser, Optics & Photonics 2020 which catalyses ideas and enhance new interdisciplinary collaborations.

Laser, Optics & Photonics are rapidly expanding by playing a prominent role in many fields. This Conference is a platform to Industry, Academia, Researchers, Innovators to come together to discuss the research activities, advancements, ideas and exhibit laser, optics & photonics products.

Laser, optics & photonics is rapidly gaining traction across a range of industries, from agriculture to water treatment to energy storage. Today, laser, optics & photonics is one of the most innovative, cutting-edge areas of scientific study and it continues to advance at staggering rates. Laser, optics & photonics have made some of the greatest advancements in pediatric optometry & skin laser resurfacing. Scientists in the laser, optics & photonics fields are focused on determining how future drifts in laser, optics & photonics. While laser, optics & photonics are their recent application & trends in it, the benefits are clear with it. Scientists and engineers are focused on applying laser, optics & photonics to resolve these issues. Laser, optics & photonics have been hailed as the next big thing for decades, but it is only now that it is truly becoming a reality in the medical device space.

Our exciting scientific program will be presented over the course of three days in various session types

Keynote Presentations, Oral sessions, Young research forum, symposia, Poster sessions and workshops.

Regards
Organizing Committee

Conference Sessions

- Optical physics, engineering & imaging
- Applications & trends in laser, optics & photonics
- Implementations of laser, optics & photonics
- Laser, optical & photonics science
- Optical communication & networking
- Advancements in laser, optics & photonics
- Quantum science & technology
- Future drifts in laser, optics & photonics
- Quantum optics & optomechanics
- Optics in astronomy & astrophysics
- Biophotonics
- Optoelectronics
- Laser Nanotechnology
- Pediatric optometry
- Laser skin resurfacing
- Nano photonics and optics
- Fiber laser technology
- Optics & laser in medicine
- Surface enhanced spectroscopy
- Laser & nonlinear optics
- Terahertz Optics and Photonics

Conference Highlights

- Best Poster Awards
- Opportunity for Workshops/ Symposia
- Young Research Forum (YRF)
- Great opportunity for Scientific Networking
- Opportunity to become a Sponsor/ Exhibitor

About Conference

Linkin Science offers different modes of registration options to work within your busy schedule according to the participant's interest. We offer registrations for Speakers, Co-Authors, Students, Virtual presenters, Business delegates, Poster Presentations, Accompanying persons, Sponsors and Exhibitors.

Speaker Registration

Speakers who are registered for the conference will give an Oral talk on a scheduled day and time.

Business delegates or Company representatives

Eligible to register for the conference as a Business delegate. Academic individuals can also attend under delegate category. The person who is interested in attending the conference and not intended to give the talk can choose for this registration. By choosing this registration, delegate can attend the conference for 3 days.

Young Research Forum (YRF)

Includes students who are pursuing their Ph.D, Post Doctorate Fellowship.

Poster Presentations

Poster Competition is organized at the conference, to encourage participants to present their original research which will be later published in Conference proceedings.

Student Registration

Students can choose student registration to attend the 3 day conference. Students will be felicitated with participation certificate.

Virtual Presenter

Participants who are unable to attend the conference and wish to present their research at the conference can register under Virtual presenter. Virtual presenters should submit their presentation as a media file. This presentation will be played during the conference.

Global Excellence Awards

GICALOP (Global Congress & Expo on advancements of Laser, Optics & Photonics) anticipates being able to provide funding to assist some participants attending from Lower and Middle Income group Countries to present their research at the conference. Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will receive a sum of \$250 to \$1,000 (USD) scholarship under Four categories.

1. Outstanding Submitted
2. Best Research
3. Young Researcher Award
4. Best Poster Presentation

We want you to grab this opportunity to excel your research and presentation skills

Explore Paris, France

Paris, the cosmopolitan capital of France, is one Europe's largest cities, with 2.2 million people living in the dense, central city and almost 12 million people living in the whole metropolitan area. Located in the north of France on the river Seine, Paris has the well-deserved reputation of being the most beautiful and romantic of all cities, brimming with historic associations and remaining vastly influential in the realms of culture, art, fashion, food and design. Paris is the City of Light and Capital of Fashion. Being located in Western Europe, Paris has a maritime climate with cool winters and warm summers. Even in January, the coldest month, temperatures nearly always exceed the freezing point with an average high of 6°C (43°F). Snow is not common in Paris, although it will fall a few times a year. Summers in Paris are warm and pleasant, with an average high of 25°C (77°F) during the mid-summer months. Spring and fall are normally cool and wet. Paris is served by three international airports.

Sponsorship & Exposure

2nd Global Congress & Expo on Advancements of Laser, Optics & Photonics offers a wide range of sponsorship opportunities to increase the visibility of your brand beyond the exhibit hall.

1. PLATINUM

- An opportunity to sponsor 3 Poster Presentation Awards
- An Opportunity to talk in the 20 min session, which is an excellent marketing exposure
- Three corporate sponsored workshop slots (audio visual included)
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size - 3×3 sqm)
- Five complimentary registrations
- The company / organization logo will be featured on the Conference website, program and promotional material
- Corporate logo on the front cover of the final proceedings
- Full page advert inside the conference book
- Logo recognition in pre-conference emails
- Three inserts provided by the sponsor in the congress delegate bags
- One post congress e-mail message to consented congress registrants up to 60 days after the congress (content to be provided by the sponsor)
- An exclusive online Promotion on all our Social Networking Sites
- Priority to purchase additional sponsorship items 30% Waiver on Sponsorship for any of our next year Conferences

2. GOLD

- An opportunity to sponsor 2 Poster Presentation Awards
- Two corporate sponsored workshop slot (audio visual included)
- Two complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3×3 sqm)
- Three complimentary congress registrations
- The company / organization logo will be featured on the Conference website, program and promotional material
- Corporate logo on the front cover of the final proceedings
- Full page advert inside the conference book
- Two inserts provided by the sponsor in the congress delegate bags
- An exclusive online Promotion on all our Social Networking Sites
- Priority to purchase additional sponsorship items
- 25% Waiver on Sponsorship for any of our next year Conferences

3. SILVER

- An opportunity to sponsor 1 Poster Presentation Awards
- Two complimentary conference registrations
- One corporate sponsored workshop slot (audio visual included)
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3×3 sqm)
- The company / organization logo will be featured on the Conference website, program and promotional material
- Corporate logo on the front cover of the final proceedings
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items
- An exclusive online Promotion on all our Social Networking Sites
- 20% Waiver on Sponsorship for any of our next year Conferences

4. EXHIBITOR

- An opportunity to sponsor 1 poster presentation award
- One complimentary congress registration
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3×3 sqm)
- The company / organization logo will be featured on the Conference website, program and promotional material
- One insert provided by the Exhibitor in the congress delegate bags
- An exclusive online Promotion on all our Social Networking Sites
- Recognition of your products and services in the world market through our website
- Develop new client relationships and strengthen through B2B Meeting
- Brand briefing at the opening and closing ceremonies
- 10% Waiver on Sponsorship for any of our next year Conference

Why Exhibit at advancements of Laser, Optics & Photonics 2020?

The opportunity to exhibit is an integral part of the Event and the exhibition area will be a major hub of activities. Exhibiting gives you an edge the Passing trade of potential and qualified customers that walk past your stand will be highly significant. We have designed the exhibition layout to ensure the highest level of exposure to delegates at Global Congress & Expo on advancements of Laser, Optics & Photonics 2020.

Why Global Congress & Expo on advancements of Laser, Optics & Photonics 2020 will be a successful Congress for Exhibitors?

- The size of the Exhibition Hall will allow us to combine the exhibition with Congress supported catering services during coffee breaks and lunch time attracting delegates to the Exhibition Hall.
- Coffee breaks and lunches will be in the exhibition hall and well positioned within the exhibition space
- We will offer opportunities for exhibitors wishing to join the Scientific sessions to do so without additional charges
